LUMEN CENTER ITALIA

THE EXCELLENCE OF LIGHTING DESIGN SINCE 1976

LUMEN CENTER ITALIA amplia la gamma di prodotti con lampade più belle e adatte alla nuova sensibilità della clientela.

LUMEN CENTER ITALIA enhances the range of products with more beautiful lamps, suitable for the new sensitivity of the customer base.

ODILE, lampada di grande successo commerciale, si arricchisce delle versioni applique, tavolo e terra, mentre fa il suo ingresso OUTLINE lampada da parete di Francesco Murano.

ODILE, a commercial successful lamp, is now enriched by the wall light, table and floor versions, while the wall lamp OUTLINE by Francesco Murano makes its entrance.

Sul sito LUMEN CENTER ITALIA architetti e interior designer potranno personalizzare i loro ambienti con il "configuratore" disponibile per i modelli DOMINO, BRICK e BRAC: si potranno scegliere colori, finiture, lenti, gradi Kelvin dei Led. La scelta si completa con la possibilità di inserire speciali diffusori sonori.

On LUMEN CENTER ITALIA website, architects and interiors designers will be able to personalize their settings through the "configurator", available for DOMINO, BRICK and BRAC: it will be possible to choose colours, finishes, lenses and Kelvin degrees of LED. The choice can then be completed by the addition of a special sound loudspeaker.

Nel segmento luxury, PLANETS e LUXOLINE, disegnate rispettivamente dai Giapponesi Jamo e Line, completano la gamma proposta per EuroLuce 2017.

PLANETS and LUXOLINE, designed by the Japanese Jamo and Line, complete the array put forward for the luxury category for the EuroLuce Exhibition 2017.

Tante novità che dimostrano con evidenza la professionalità, la competenza, la passione e la volontà di LUMEN CENTER ITALIA di continuare a servire sempre meglio la propria clientela.

This innovation clearly highlights the professionalism, competence, passion and the willpower of LUMEN CENTER ITALIA to continuously improve the service for its clients.

TERRA, TAVOLO, PARETE / FLOOR, TABLE, WALL

La semplicità della forma e della funzione si fondono in un prodotto con una presenza iconica e a tratti ironica: una lampada che non solo illumina, ma lo fa con una forte identità di carattere che la rende protagonista degli ambienti.

The simplicity of its form and function are combined in a product with an iconic presence and sometimes ironic: a lamp that doesn't only light up, but rather becomes the protagonist of the room thanks to its strong character identity.

OUTLINE

Design FRANCESCO MURANO

PARETE / WALL

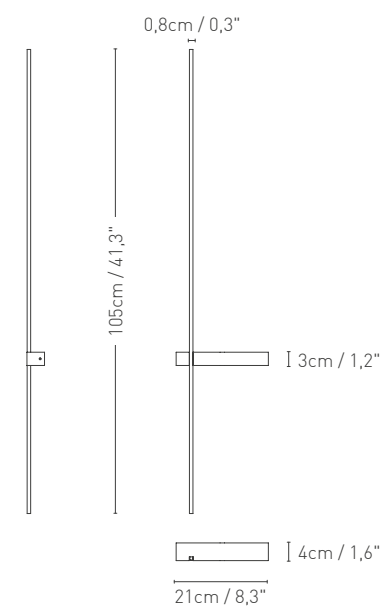

L'apparecchio luminoso è concepito come elemento compositivo della luce policroma proiettata sul muro.

La lampada e la luce diventano affresco lumistico nello spazio, segno grafico di forte impatto visivo, capace di caratterizzare la parete e l'ambiente.

*The light device was created as composition element of the polychrome light projected onto the wall.
Lamp and light become a fresco in the space, graphic signal for a strong visual impact, able to characterize wall and setting itself.*
